

Hi, I am Huy.

I am a full-stack developer who is highly interested in TypeScript. I have experience working with React projects which are medium to large-scale ones. Besides, I can use NestJS to build APIs and MySQL to manage databases.

I am currently looking for an opportunity to thrive my career.

Here is my résumé. Check out description's my projects and my tech skills below.

### PERSONAL PROJECTS

**Full-stack clone movie-booking project deploy on: <http://103.195.236.224:3000>**

# Front-end main features: Fetch and show list movies, cinemas, and showtimes from APIs - Login with validation - Store access-token - Register with validation - Book tickets when clients login-ed or have a valid access-token. - Fully responsive website for all devices. **Public repository: <https://github.com/tony-nguyen-95/movie-booking>**

# Back-end main features: Provide REST APIs to CRUD tables in MySQL database - JWT for authentication and authorization. **Public repository on Github: <https://github.com/tony-nguyen-95/be-movie-demo>**

## SKILLS

### TECHNICAL SKILLS

- # I have the proficiency to use techs and languages: HTML5, CSS3, SCSS, JavaScript, TypeScript, and SQL.
- # I am strong in ReactJS framework (using functional components), writing them clean, usable, re-usable, easy to read. That help maintains and scales projects easily. I also can write Back-end techs: NestJS, TypeORM, MySQL.
- # Management source-codes: GitHub.
- # Formatting and following convention code: Prettier and ESLint-config-AirBnb.

### ENGLISH SKILLS

- # Intermediate level: 570 - TOEIC Official Score Certification.

## PERSONAL SKILLS

# Responsibility - Organization - Teamwork - Communication - Motivation

## EDUCATION

### UNIVERSITY OF ARCHITECTURE

2013 - 2018 Civil Engineering  
- GPA: 2.94/4.00 - Degree of classification: Good.

### CYBERSOFT ACADEMY

2020 Full-stack web developer  
- Degree of classification: Excellent.

### FUNK I FPT UNIVERSITY

2022 Junior developer  
- Learning 3 core packages of Software Engineering.

## HOBBIES

VIDEO GAMES - TECHNOLOGY - TRAVELING - RUNNING - BOOKS
